Monthly Report May 2023

1. Completed monthly reports
2. Collected all required samples
3. Main breaker on Floc drive unit failed due to being improperly installed at one time---we were able to fix this with a new breaker we had on hand. Was down for four hours. (5/1/23)
4. Switched to DelPac 2020 bulk tank (5/4/23)
5. Rerouted several wires, removed two unused outlets, and moved the camera monitor within the Water Plant to gain space and make for a better appearance.
6. Flushed water lines the week of 5/22/23.
7. On 5/31/23 The sewer department hauled 1 load of sludge out of the backwash pond.
